

# JOURNAL CLUB PROPOSAL : READ AND DISCUSS ASTRO-PH

J-H. Choi

# Objective

- ▣ Keep up astro-ph
  - New developed issues in fields.
- ▣ Broaden discussion topics in Astronomy group
  - Cover broaden topics
  - Expose graduate students to more topic
- ▣ Stimulating discussion between group members

# Rules

- ▣ Present recent astro-ph paper
  - Constraint newly posted paper.
  - Only submitted or accepted paper in major journal.
  - Not your paper !!
- ▣ Student, Postdoc, and Faculty present
- ▣ Present different topic with your research
  - Mostly to graduates
- ▣ Everybody read paper and discuss.

# To do

- ▣ People decide the presentation date. (Not the paper and topic yet)
- ▣ Wednesday assign the paper for coming Monday from the pool of the previous week's astro-ph
  - I decide or suggest the paper
  - Advisor can suggest paper
- ▣ 25 mins presentation + discussion
  - Beat the paper discussion : Most of paper has weak points and problems
